

Why are you undertaking this project and how does it relate to issues surrounding climate change?

Will any resources (brochures, fact sheets, etc.) be produced as a result of this project? If yes, please specify:

How will you acknowledge the support of Conservation Corps Newfoundland and Labrador and the Climate Change Education Centre?

Section 3 – Project Timeline/Work Plan

Briefly summarize project planning, implementation, and evaluation (attach separate sheets if necessary):

	Activity
January, February, March	
April, May, June	
July, August, September	

October, November, December	
--	--

Section 4 - Budget

Provide an estimated total budget for this program and outline how monies will be used (attach separate sheets if necessary):

Material, Supplies, & Equipment	Costs		
Item	# of Units	Unit Cost	Total Cost
Total Cost			

Please note that receipts will not be required, but a reasonable account of how monies will be spent will need to be submitted with the final report.

Section 5 – Other Relevant Information

If required, this space is provided for inclusion of any other relevant project information that was not captured in other sections (attach a separate sheet if necessary).

Section 6 – Letter of Support From Teacher/Leader

A letter of support from a teacher at the school or leader of the youth based group/organization is required.

Final Report

Successful applicants will be required to submit a final report, due no later than June 30th, 2014. Projects do not need to end at this time, however all portions of the project funded by the Youth Engagement Funding Initiative must be complete and a final report, budget summary and photographs or video will be required.
